Dear Gowtham,

Congratulations and welcome to Graduate Studies at the University of Central Missouri! We are delighted to offer you admission to the MS Computer Science program for the Spring 2023 semester.

Please continue to check your email. You may receive additional information from the program coordinator regarding your admission. In addition, you will receive more information about the enrollment process, financial aid, University Health Center requirements and more.

If you are a new student, you should receive an email within 24 hours of admission with your network ID and instructions on accessing MyCentral. If you do not receive an email, and it is not in your Spam folder, please contact tsc@ucmo.edu. If you are a returning student, you will not receive that email as you have already been assigned a network ID. If you need assistance retrieving your network ID, please contact our office.

Please let us know if you have any questions about your next steps. For specific questions about the program or which courses to enroll in, please contact the program directly.

Sincerely,

Graduate and International Student Services
University of Central Missouri

Reminder: You will not be able to enroll in classes until we receive all of your final official transcripts (evaluations) from all college/post-secondary institutions attended (including provisional certificates and/or diplomas for international students) that meet the GPA requirements of the University.
